

ELI Statement European Contract Law

Council decision 2011/13

19 July 2011

- (1) In accordance with Article 12(1) of the Statute, the Council identifies the European Contract Law draft optional instrument, or any instrument that might be introduced in lieu of an optional instrument, as an important development which requires a Statement, in particular a position paper, by the ELI.
- (2) In accordance with Article 12(2) of the Statute, the Council decides that this project shall be subject to the accelerated procedure under Article 12(4) of the Statute.
