

# Digital Law SIG Meeting

---

Friday, 7 September 2018

11:15–12:45

ELI

EUROPEAN  
LAW  
INSTITUTE

---

DIGITAL  
LAW SIG

## THE EUROPEAN LAW INSTITUTE

---

Founded in 2011, the European Law Institute (ELI) is an entirely independent organisation that aims to improve the quality of European law, understood in the broadest sense. This it does by initiating, conducting and facilitating research, making recommendations and providing practical guidance in the field of European legal development.

---

### ABOUT THIS EVENT

The ELI Special Interest Group (SIG) on **Digital Law** brings together experts from Europe and beyond, analysing the impact of digital technology on the law. The SIG was established in mid-2015 and is composed of the following subgroups: (a) Online Intermediary Platforms; (b) Free Flow of Data and Data Property; (c) Internet of Things and Self-Driving Vehicles; (d) Big Data and Personalisation of Private Law; (e) The Future of Digital Technologies Law Clinic; (f) 3D printing: Challenges for Contract, IP and Tort Law; (g) Information, Advice and Intermediation in a Digital World; (h) The Data Protection Officer; (i) Robotics; (j) Blockchain Technology and Smart Contracts; (k) Artificial Intelligence.
